Adam Ramdin was born and raised in England in an Adventist home. He went to the USA to study at the age of 19 and later worked for several years as an evangelist with Amazing Facts. In 2007 he accepted a call to return to England where he has had the privilege of serving the church in a variety of capacities including Youth Director, Personal Ministries Director and PEACE Evangelism School Director. He is presently the Executive Producer for Lineage Journey, a ministry he co-founded five years ago. He is married to his beautiful wife, Aiko Ramdin and together they live near Nottingham in England with their son Enoch and daughter Eden. In their spare time they enjoy bike riding, kayaking, snowboarding and visiting historical sites of importance to the christian church.
